

We offer a range of treatments including luxurious facials, therapeutic massages, innovative face and body treatments, waxing, nail care.

## **Nails**

Nails feeling drab and un-groomed? Whether it's a quick shape and tidy, a full on set of gel nails or a bold, acrylic mani. Whether you like your nails short and sweet, square, almond or oval, our salons nail technicians have the power to transform your nails to perfection, and with numerous colours to choose from, will put the perfect finishing touch on any outfit.

## **Eyebrows & Eyelashes**

If the eyes are the window to the soul, then what frames them is of utmost importance: enter our eyebrow and eyelash obsession. Whether your brows took a beating with overzealous plucking in your teenage years, or have never quite regained the former, fluffy glory of your youth, help is at hand.

## **Body Treatments**

Whether you're off on a holiday and want the luxury of extra-smooth skin, need help achieving that beach body or just want to feel utterly pampered, Aqua Beauty's wide range of body treatments have everything you need to shed those pounds with minimal effort and combat dull skin, leaving you with a serious glow.

## **Tattoo Removal**

If you have a tattoo that you're starting to regret, whether it's from memories of a holiday romance or an incorrect Chinese symbol that haunts you whenever you catch a glimpse of your tattoo, it may be time to rethink your ink. In the past, tattoos may have been permanent, but thanks to innovative laser technology, tattoo removal treatments are now more effective than ever. You can start wiping the proverbial slate clean, today with Aqua Beauty's safe and effective laser tattoo removal treatment.

## **Facial Treatments**

Aqua Beauty's facial are popular type of non-surgical skin enhancement and is designed to make you look and feel more radiant, rejuvenated and youthful. Your skin gets exposed to the elements and pollution on a daily basis, and the sun slightly less often. With busy lives it can be tricky to give your skin as much attention as ideal. If you're a serious glow-getter your book yourself in and our beautician will guide you through what's suited for you.

## **Massage**

Tense, tight, muscles call for a massage. In the hands of Aqua Beauty's Massage Therapists your aches and pains can be massaged away within minutes. If you can't seem to kick sore shoulders and aching joints, you need to get yourself an [appointment](#) as soon as possible. We have 4 categories of massages ([Deep Tissue Massages](#), [Therapeutic Massages](#), [Sports Massages](#) & [Anti Cellulite Massages](#)). Discover below which one will be perfect for you.
